PROFESSIONAL BUSINESS ASSOCIATES OPENS A NEW TESTING CENTER

Professional Business Associates has expanded its technology facilities by adding a new 20-seat computer lab. The renovations to this computer lab should be completed by June 3, 2019, and the lab will be open to the public on June 10, 2019.

The new lab will serve as a new certified Certiport Testing Center. This will allow businesses, individuals, and schools in the area to sign up for certified computer training courses and become certified users of many different programs. These types of certifications are very valuable in the job search process and to many businesses! An open house is tentatively scheduled for June 8. More details will be forthcoming.

MEMORANDUM

TO: Information Technology Department Employees

FROM: Tom Carlson, Information Technology Department

CC: Roger Meyer, Marketing Department

DATE: May 11, 2019

SUBJECT: Certiport Testing Center Update (Subject will differ – as writers had to create)

The new Certiport testing lab is scheduled for completion on June 3, 2019. We anticipate the construction will be completed as planned.

Professional Business Associates is excited to complete and open this addition to our center. However, in doing so, we will need the assistance of all of you! Upon completion of the center we will need many of you to assist in the cleaning, organizing, testing, and planning of a successful open house to be held on June 9, 2019.

We anticipate much of the construction work to be done and cleaned as the construction crews move out. Upon completion we have several things to complete to ensure the lab is ready for the open house and public use.

1. Make sure the lab computers are correctly connected and in working order.
2. Clean all lab areas.
3. Clean and prepare entry/waiting area.
4. Test the Certiport testing program to ensure proper function.
5. Plan and organize the open house scheduled for June 9, 2019.

PBA would like all of you to be involved in the grand opening in some manner. Because we are offering bonus pay for these activities, you are asked to sign up by responding through email. Be sure to include which activity you would like to participate in! If you have any questions, please let me know. Thank you for your assistance with this exciting adventure!
