I am writing on behalf of my local chapter of Business Professionals of America. The Bexley Job Fair is hosted by our group at Bexley High School. We are looking for local businesses that want to participate in the career fair. The career fair has over 600 local visitors each year, and employers rated our career fair excellent and would participate again.

The booth rental fee is \$30. That provides you with an 8' table, table skirt, two chairs and access to electricity. Your business name will be published online and through social media to advertise your participation in this community career fair.

To secure your spot at this year's fair, please click on this link to register:
