Workplace Skills Assessment Program competition.

GENERAL INSTRUCTIONS

1. Make certain this test booklet contains Jobs 1–5.
2. Correct all errors. Copy will be graded on accuracy; effective use of fonts, typestyles and graphics; originality and adherence to design principles such as: contrast, emphasis, visual hierarchy, flow and overall appearance.
3. Software templates may be used, but creativity points may be reduced.
4. Only the graphics and resources provided may be used. You may, however, use WordArt, lines, circles, squares, rectangles, polygons, and/or AutoShapes. In addition, you may modify the graphics supplied.
5. Using a text box, include your contestant number and job number in the lower left-hand corner of all work submitted.
6. If you finish before the end of the testing time, notify the administrator. Time may be a factor in determining the winner in the event of a tie.

Save all work with your contestant number on the flash drive provided by the contest administrator, if one was provided. When turning in your completed work, arrange your printouts in numerical order with Job 1 on top, and then place your Scoring Sheet on top of all the job sheets.
