General Instructions

Key your contestant number and printout number in the right section of a footer on each printout on a separate line in the footer. Your name or initials should *not* appear on any work you submit.

1. **Center the following information in a header on each printout: File name and the sheet name. Each item should appear on a separate line in the header.**
2. If you finish before the end of the testing time, notify the proctor. Time may be a factor in determining the winner in the event of a tie.
3. When turning in your contest, arrange all jobs in the correct printout order (included in instructions).
4. Write your contestant number in the provided spaces on the test cover page.
