Description

Assess interpretation of personnel policies and knowledge of human resource management.

Regional Final Scenario:

Amy Mendez is an advertising representative in the marketing department of Professional Business Associates. While driving to a meeting in the company vehicle, a man pulled out in front of her causing her to slam on the brakes. Amy became angry and raced to catch up with the car, honked, and used a hand gesture to convey her feelings. She continued to tailgate the driver for several blocks. At a stop, the man got out of his car, took a picture of the PBA logo on the side of the vehicle, and told Amy he would report her to Professional Business Associates. Amy offered the man some company promotional items (a coffee mug, duffle bag, and a t-shirt) if he would not file a report. The man accepted the gifts and then proceeded to file a report to Professional Business Associates about the incident.

As a Human Resources Manager, how would you handle this situation? Use your Human Resources Manual as a guide.
