Dear Mr. Morris

Our company is looking into developing partnerships with banks who are interested in interns for the upcoming school year. We are accepting applications from students from our local high school. Our hope is that we can pair them with a partnering bank before the end of this school year.

In order for a student to qualify for an internship, they must meet these qualifications.

- Senior year in school
- Enrolled in Accounting or Accounting II
- Earn an A in Personal Finance
- 3.5 or higher GPA
- Plans to major in Finance in college

If this sounds like something your business would be interested in, please contact me no later than May 1, 2021. At this time, we will be setting up individual meetings with a representative from your bank and the student intern.

Please contact me at (202) 354-9334. I look forward to hearing from you.

Sincerely

Julie Smith
