SUBJECT: Summer Company Picnic

It is so hard to believe that the company wide Summer Picnic event is coming up in little over a month. Just a reminder to all personnel that the date of the Summer Picnic will be June 2, 20XX. This year we are excited to announce that the Company Picnic will be held at the Columbus Zoo in Columbus, Ohio. Our Digital Solution family along with their guests will be able to experience some nationally **recognized** exhibits while spending time with colleagues **throughout** the day.

All personnel who plan to attend must register through the internal website provided in the last e-mail sent out by the Social **Committee**. Please take time to register today, if you have not already done so. We are aiming for 100% in attendance. The Columbus Zoo will offer so much to all the guests and we have some great door prizes, food, and entertainment lined up for the entire day. Don't forget to stay for the Night of Lights **sponsored** by our platinum donors in our latest marketing campaign. I have been told that these fireworks are nothing like anything you have seen before.

Department leads should take time to assist all department **personnel** in the registration process. We want to have a great time and experience for all our staff. Encourage your departments to **register** today. Looking forward to our time together at the Annual Summer Company Picnic at the Columbus Zoo. Thank you for all that you do here at Digital Solutions.

Dear Mr. Smith

Your gracious donation and sponsorship in our recent marketing campaign at the **Platinum Level** supported so much during the fiscal year. One of the main events was the support of professional development for our current staff at Digital Solutions. To **culminate** the year we held our Annual Summer Picnic where your sponsorship helped our staff have **opportunities** to relax, **rejuvenate**, and revive their passion for our clients and vendors.

Along with this thank you letter you will find some pictures of the Digital Solution family experiencing their event at the Columbus Zoo in Columbus, Ohio. Staff along with their family guests had a great time experiencing many nationally award winning exhibits, food, entertainment, and so much more. This **was** all possible because of the gracious sponsorship from the Microsoft Corporate Division. We appreciate your business partnership!

We look forward to ongoing professional development opportunities that **Microsoft** has for our **personnel**. This training and development has been created specifically for us in mind, and we appreciate the effort it takes to provide supreme educational training to our staff.

I would love the opportunity to continue our discussion and ongoing partnership with Microsoft. We should schedule an opportunity to discuss the **continuation** of the sponsorship and how we can work together to make Digital Solutions! Looking forward to hearing back from you within the next few business days. Feel free to reach me at rmeyer@digitalsolutions.com if for some reason you miss my phone call this week.

Again thank you for your **sponsorship**, partnership, and support of technology in communities and of our staff training and development.

Sincerely

Roger Meyer
