The Chief Officer of Professional Business Associates (PBA) wants you to key the following press release information to be released on June 3, 2022. Use the *Style & Reference Manual* format for the following news release.

Professional Business Associates Community Outreach Project

Professional Business Associates is pleased to announce the partnership with the Columbus school district to offer training and support to the Digital Design and Computer Programming students. We will leverage our wisdom and financial support to provide leadership, training and internship opportunities for students seeking to pursue a career in Graphic Design and Software Development.

As companies seek to continue to hire qualified personnel in those areas, we see a need to provide training and opportunities to our young people to pursue those careers. This will open up numerous opportunities for students to continue to explore this area and we know that it will benefit our business as well as the community.

Foollow us on Instragram, facebook, Twitter, and Snapchat as we go through out first year with the program.
