JOB 1 – Letter

Key the following letter using your *Style & Reference Manual*. Correct any spelling and punctuation errors you find.

This letter is to Susan Jones, Branch Manager from Carter Central Renovations, 544 Office Plaza, San Diego, CA 92101 from Mr. Roger Meyers. Please copy the Human Resources Head of PBA. (Note: Reference the *Style & Reference Manual* for name of Human Resource Department Manager.)

The recent gift to the city of New Jersey is truly exiting and I am incredibly pleased to accept your offer to serve as the director of Renovation Connection. Having served as director of the local office I am looking forward to using those skills and ideas to expand to the larger community. I am very eager to continue the current outstanding programs, coordinate other renovation projects and direct a team that will bring us to the forefront of outstanding communities for its citizens.

I commend the Community Foundation for the mission to promote renovation and implementation of community projects to continue to bring exciting projects to this area. The staff that we have assembled will be instrumental in carrying out the mission put before us and look forward to the challenges and opportunities.

As discussed previously, we will be meeting in the conference room of City Hall on August 15 at 10:30 a.m to discuss the schedule for the implementation of these projects. At that time we will also discuss and additional fundraising efforts.

JOB 2 – Report

Key the following report using your *Style & Reference Manual*. Correct any spelling and punctuation errors you find.

The following is a Budget Report for Digital Solutions expansion project and should be titled Digital Solutions Budget Report. It is being sent by Harvey Rosen to Roger Meyer.

Digital Solutions is expanding to the Kansas City area and will be completing its expansion withing the fiscal year 2022. The Kansas City office is fully staffed and the Director of that office, Molly McKay, is holding weekly staff meetings for lead staff members to share their progress towards the implementation initiatives. The purpose of this report is to present to the Board of Directors the first year budget for this office and recommendations for the building expansion budget of the existing building.

(key the following information in a table format – Title the table Expansion Budget)

Painting, repairs, interior construction \$250,000
Converting existing space to 4 conference rooms 175,000
Improving handicap access \$50,000
Reconfigure office space \$40,000
Reserve for contingencies \$40,000
Total: \$555,000

The largest item is the \$250,000 designated for painting, repairs, and some interior construction. Also adding a kitchen/lounge area for breaks and a conference room are major renovation needs. The addition of conference rooms will open up an opportunity to expand our in house as well as virtual trainings.

The budget also shows a \$50,000 expenditure to improve handicap access. This is an important piece to make sure that we meet state and federal guidelines.

JOB 3 – Speech

Key the following speech using your *Style & Reference Manual*. Correct any spelling and punctuation errors you find. The Keynote Speech titled Hearne Award is to be given on June 8 by Tom Carlson at the American Bar Association National Conference.

Thank you for this award.

I also want to thank the sponsors of this event: Starbucks, Walmart and Lexis-Nexis. I was just speaking with Paula Boggs from Starbucks who was telling me that one of her colleagues is on the board of Disability Rights Advocates, a former Hearne awardee. Walmart is notable for consistently having an accessible website for what I suspect is the best of reasons-an increase in market share to include the blind at minimal cost. And, except for a recent hiccough that is being addressed, Lexis-Nexis has been very good about accessible digital content.

To be honored with my comrade-in-arms, my mentor, my friend Marc Maurer is both exciting and humbling.

To learn that some of those who I respect and love most worked behind the scenes, not to mention behind my back, in support of our receiving this award is a vote of confidence I earnestly hoe I deserve.

My professional associate with the National Federation of the Blind began twenty-five years ago, despite my woeful lack of understanding of all aspects, legal and otherwise, of disability right, I had little better than a “Jerry’s Kids” perspective on disability, but NFB had me read for two days about disability rights before they talked to me, by which time I had begun to understand.

JOB 4 – Agenda

Use the *Style & Reference Manual* to format the following agenda.

You have been instructed to key an agenda for a the regular meeting with the City Beautification Committee that Harvey Rosen is co-chair of. Please use PBA format for the agenda. The agenda is for the Memorial Bench Project that the committee is in charge of. It is their monthly meeting and will be held on August 7, 20xx at 7 p.m. in the Maple Grove Conference room of the City Hall.

Please include an agenda item for the Park Beautification Committee to give an update on the upcoming park bench project scheduled for August 16, for the Budget committee to report fundraising efforts and for the Volunteer Committee too report on any future projects.

At the previous meeting the Center Park restoration project was discussed and we need to revisit this and unfinished business. A request for new business is the replacement and cleaning of recycle receptacles at the three city locations.

Harvey Rosen will call the meeting to order and Sarah Johanson who is the administrative assistant will conduct the role call and read the minutes. George Simonson, treasurer will present the treasurer's report. Include a spot for other members to report if they have anything to share. Set the next meeting date for next month for September 8 and then adjourn the meeting.
