

Member ID: _____

Time: _____

Rank: _____

HEALTH ADMINISTRATION PROCEDURES (610)

NATIONAL 2022

Multiple-Choice Questions:

30 questions @ 5 points each _____ (150 points)

Production:

Job 1: Table _____ (100 points)

Job 2: SOAP Report _____ (100 points)

TOTAL POINTS _____ (350 points)

Test Time: 60 minutes

GENERAL GUIDELINES:

Failure to adhere to any of the following rules will result in disqualification:

1. Member must hand in this test booklet and all printouts. Failure to do so will result in disqualification.
2. No equipment, supplies, or materials other than those specified for this event are allowed in the testing area. No previous BPA tests and/or sample tests (handwritten, photocopied, or keyed) are allowed in the testing area.
3. Electronic devices will be monitored according to ACT standards.

EXAM GUIDELINES:

1. Ensure this test booklet contains Jobs 1 and 2.
2. Key all jobs according to the instructions given.
3. Correct any and all formatting, spelling or grammar errors. Use the formatting guide in the *Style & Reference Manual*.
4. Your name or initials should *not* appear on any work you submit. Use your Member ID in any occasion you would normally key your reference initials.
5. In the lower **right** hand corner of ALL work submitted (unless otherwise specified), key your Member ID and job number.
6. If you complete the event before the end of the time allotted, notify the proctor. Time may be considered a factor in determining a winner when there is a tie score.
7. Place your scoring sheet on top of your jobs. Jobs should be placed in numerical order.

PRODUCTION STANDARDS	
0 Errors	100 Points
1 Error	90 Points
2 Errors	70 Points
3 Errors	50 Points
4+ Errors	0 Points

1. Which of the following dates is written *correctly* to be included in the dateline on a business letter?

Job 1 – Table – 100 Points

Directions: Prepare the following information in an attractive table following guidelines in the *Style & Reference Manual* to be given to patients as a reminder of vaccines. Use dot leaders for information from Column 1 to Column 2. The first line is an example. Also, please italicize the footnotes. When finished, remove all gridlines.

Vaccines

Vaccine	Shots/Doses
Hepatitis B	3 shots
DTaP	5 shots
Hib	4 shots
Pneumococcal	4 shots
Polio	4 shots
Measles-Mumps-Rubella	2 shots
Chicken Pox	1 shot
Influenza*	1 or 2 doses
Hepatitis A**	2 shots

*Two doses are recommended for children who are receiving the influenza vaccine for the first time.

**The Hepatitis A vaccine is recommended only in certain areas where infection rates are highest.

Job 2 – SOAP Report – 100 Points

Directions: Please prepare the following medical report using the *Style & Reference Manual* for proper formatting. The PCP for the patient is Kettering Health Network.

Christopher Kelly

12-17-1967

Use current date – mm/dd/yyyy for date of exam.

The patient is a 55-year old male who had two episodes during the last week of jagged lights occurring in the central visual field. These lasted 15-20 minutes; no other symptoms. Patient has a long history of migraines.

Within normal limits; specifically, no evidence of tear or hole in the retina.

Diagnosis: Migraine equivalent vs. posterior vitreous detachment.

Plan: 1. Trial of Midrin for migraines, 2. Recheck in one to two months, 3. Patient request referred to an ophthalmologist.

Derek Brady, D.O.
