

# **ADMINISTRATIVE SUPPORT RESEARCH PROJECT**

(260)

**STATE 2022**

### **Description**

One administrative support topic is selected by the National Center and provided at the beginning of the school year. Contestants will conduct research on the topic and present findings in a research paper, an oral presentation, and respond to questions from a panel of judges.

### **Topic**

Advancements in technology, artificial intelligence, machine learning and robotics are creating a workforce that needs to be increasingly more intelligent, aware and understanding of the progressions being made. How can a business professional ensure that they stay on top of the latest technologies in today's world?

Contestants who do *not* submit an entry that follows this topic will be *disqualified*.

### **JUDGING PROCEDURE**

- As a team of judges, formulate two to three questions to ask at the conclusion of the presentation. Be sure to ask the same questions of each contestant.
- Set-up time will be no more than three (3) minutes.
- The length of the presentation will be no more than seven (7) minutes; followed by judges' questions not to exceed five (5) minutes.
- Excuse contestants upon completion of judges' questions.
- **There can be no ties in the top ten (10) contestants.** It is the responsibility of the judges to break any ties.
- Administrator will fill out ranking sheet prior to dismissing the judges.
- If more than one (1) section is necessary, finalists will be determined by selecting an equal number from each section.
- Give administrator all Judges' Rating Sheets, Judge Evaluation Sheets and contest materials.
- No audience is allowed in the contest room.

**Please double-check and verify all scores!**
