The Woodhull Chamber of Commerce is developing a new initiative to encourage people to visit Woodhull's businesses. Woodhull is a city of 25,000 residents and serves as the Stanton County seat. The city's downtown features a number of restaurants, a bakery, a yoga studio, a bookstore, clothing boutiques and several stores selling vintage items. The city is also situated next to a river which connects to one of the largest lakes in the area. While many people come to Woodhull during the week for county matters, business traffic is light during the evenings and weekends. The pandemic has also adversely affected businesses. The Chamber of Commerce is sponsoring several programs to draw traffic to Woodhull and has hired you to design the promotional materials. While the materials are different, the Woodhull Chamber of Commerce wants to ensure there is a consistent look across all materials.

Job 1: Shopping Totes

The Woodhull Chamber of Commerce has sponsored shopping totes to be given out to shoppers by Woodhull businesses. The shopping totes come in two sizes, 15" x 10" x 14" and 12" x 6" x 16".

- Design on both shopping totes should prominently feature the text Woodhull and the tagline "where good things happen"
- Design should include photos, images and/or other graphic elements
- Designs on shopping totes should complement each other but not be identical
- In the bottom right footer, add your Member ID and Job 1

Job 2: Sandwich Board

The Woodhull Chamber of Commerce is sponsoring a series of family-friendly concerts to take place at Nathanson Park during the summer. Design a sandwich board advertising the concerts to be placed at high-traffic intersections.

- Sandwich board size is 24" x 36"
- List the following information on the sandwich board
 - Saturday Summer Concerts at Nathanson Park
 - July 16 at 7 p.m. – Casey and the Sunseekers
 - July 30 at 7 p.m. – Bonderat
 - August 13 at 7 p.m. – The Mondays
 - August 27 at 7 p.m. – Erin Andrews and Friends
- Graphic elements and/or typography treatment should be incorporated to enhance design
- Design should be eye-catching while allowing for easy readability from a distance
- In the bottom right footer, add your Member ID and Job 2

Job 3: Instagram post

The Woodhull Chamber of Commerce is planning a series of Instagram posts to spotlight Woodhull events and business owners. Produce two sample posts – one highlighting a Woodhull event and one highlighting a Woodhull business owner.

- Post size is 1.908” x 2.385”
- Design should feature the text “Experience Woodhull” and “where good things happen” along with one or more photos per post
- Photos should display advanced editing techniques such as blending, transforming the image, using filters, etc.
- In the bottom right footer, add your Member ID and Job 3
