Topic

Background - Little did the owners of Dave and Buster's, a 40,000-square foot dining and gaming establishment initially located in a Dallas warehouse in 1982, realize they would launch an exciting new restaurant concept known as "eatertainment." By providing guests unique experiences that combine eating with entertainment, "eatertainment" establishments are forecast as the next big frontier for casual dining.

Task - To capitalize on this growing trend, a local eatertainment company has hired your marketing team to identify expansion opportunities into a domestic U.S. city of your choice within one to three years, with a vision for future international expansion in five to seven years. As no specific company name, mission, vision or product(s)/service(s) are specified in the topic, your team will determine these key elements and implement into the Marketing Plan and presentation. Be prepared to defend your recommendations from a marketing standpoint.

Use the Marketing Plan format in the Style & Reference Manual and the rubric as your guide. Teams who do not submit an entry that follows this topic will be disqualified.

Any marketing plan submitted beyond the maximum number of pages will be *disqualified*.
