STATE PRELIMINARY KEY SCENARIO:

Your company relies heavily on the Accounting Department to produce accurate financial reports. Last month, a new accountant, Taylor, was hired due to his reported proficiency in Excel. Unfortunately, Taylor has failed repeatedly to meet deadlines and continues to struggle with the Excel program on a daily basis. His coworkers are becoming increasingly frustrated that they are being expected to “pick up the slack” and work during their lunch hours and weekends. His supervisor has also noticed many of Taylor’s recent social media posts publicly blasting the company, sharing confidential company data, and showcasing photos of Taylor drinking alcoholic beverages while driving a company vehicle.

As the Human Resources Manager, how would you handle this situation? In your solution, include recommendations using your *Human Resources Manual* as a guide.

A contestant will be DISQUALIFIED for violations of the Copyright and Fair Use Guidelines.
