PARLIAMENTARY PROCEDURE TEAM

(550)

STATE 2022
PRELIMINARY

TOTAL POINTS *(refer to rubric)*

Teams will conduct the official BPA opening and closing ceremonies. Refer to the *Workplace Skills Assessment Program Guidelines* to obtain a copy of these ceremonies.

After the official opening ceremony, the chairman will ask for general consent to dispense with the reading of minutes, officer reports, and committee reports; the secretary will then read the first item of new business from the test/agenda. Once all the skills have been demonstrated, the team will conclude with the official closing ceremony. **The “Followed designated order of business” section of the Specification Points on the judges’ scoring sheet relates to the test/agenda NOT the standard order of business as prescribed by *Robert’s Rules of Order Newly Revised (12th Edition)*.**

Up to five (5) minutes will be allowed each team for questions by the judges. These questions will be directed to the chairman for any team member to answer. The team members may caucus to determine the answer they wish to provide to the judges. The secretary is *not* required to participate in the caucus or assist with answering questions if he/she voluntarily decides to continue writing his/her secretary’s notes.

The items listed in this answer key are the order of new business for each subject listed. Each team will be limited to a maximum of 15 minutes for parliamentary demonstration to the judges. A warning card should be shown five (5) minutes before the maximum time and one (1) minute before the maximum time.

Each team member is allowed to use one 3” x 5” index card during the presentation. In addition, the secretary will use a blank sheet of paper to record the proceedings of the meeting in English, long hand for submission to the judges immediately after the presentation. The secretary will be permitted to use the contest agenda in the presentation room; this is to be submitted with the minutes. The parliamentary authority, *Robert’s Rules of Order Newly Revised (12th Edition)*, or any other reference materials may *not* be used during the parliamentary demonstration. Please obtain the secretary’s handwritten notes and contest agenda before the contestants leave the room. These notes will be verified for content only.

The items (motions) under “**Abilities to be Demonstrated**” may be rearranged within subject areas; therefore, they *cannot* be transferred and conducted under a different subject area.

Use the Judge’s Scoring Rubric/Rating Sheets to evaluate and score each team. Please double-check and verify all scores!
