HEALTH ADMINISTRATION PROCEDURES (610)

STATE 2022

Multiple-Choice Questions:

30 questions @ 5 points each _____ (150 points)

Production:

Job 1: Letter _____ (100 points)

Job 2: SOAP Medical Report _____ (100 points)

TOTAL POINTS _____ (350 points)

Test Time: 60 minutes

GENERAL GUIDELINES:

Failure to adhere to any of the following rules will result in disqualification:

1. Member must hand in this test booklet and all printouts. Failure to do so will result in disqualification.
2. No equipment, supplies, or materials other than those specified for this event are allowed in the testing area. No previous BPA tests and/or sample tests (handwritten, photocopied, or keyed) are allowed in the testing area.
3. Electronic devices will be monitored according to ACT standards.

EXAM GUIDELINES:

1. Ensure this test booklet contains Jobs 1 and 2.
2. Key all jobs according to the instructions given.
3. Correct any and all formatting, spelling or grammar errors. Use the formatting guide in the *Style & Reference Manual*.
4. Your name or initials should *not* appear on any work you submit. Use your Member ID in any occasion you would normally key your reference initials.
5. In the lower **right-hand corner** of ALL work submitted (unless otherwise specified), key your Member ID and job number.
6. If you complete the event before the end of the time allotted, notify the proctor. Time may be considered a factor in determining a winner when there is a tie score.
7. Place your scoring sheet on top of your jobs. Jobs should be placed in numerical order.

PRODUCTION STANDARDS	
0 Errors	100 Points
1 Error	90 Points
2 Errors	70 Points
3 Errors	50 Points
4+ Errors	0 Points

Job 1: Letter – 100 Points

Please prepare the following form letter we can use to send out as needed. Insert the name of the field to be used for each necessary part. Use bullets to identify the items needed.

Current Date

Inside Address

Dear Doctor _____

Our mutual patient, _____ D.O.B. _____ is scheduled for surgery on _____. Will you please assist us with the following information:

Pathology Report

Copy of most recent EKG

Copy of most recent lab work

New lab work (Basic Metabolic Panel, HCT/Hemoglobin, Protime/INR)

Clearance for Surgery Permission Form

Please fax the requested items to us as soon as possible. Our fax number is 555.999.0987. If you have any questions, please call us at the clinic at 555.555.5555.

Sincerely

Herschel Lavey, CMA

Medical Assistant

Job 2 - SOAP Report – 100 Points

Directions: Prepare the medical report below using SOAP format using the Style & Reference Manual as a guide. Correct any errors, and supply all necessary parts. The PCP for the patient is Premier Health.

Patient: Katharine Elizabeth Balent

Date of Visit: Current

DOB: 2-22-1996

Chief Complaint: Itching and rash.

Subjective: The patient is complaining of itching and a rash that began about 3 weeks ago, starting on the hands and arms and spreading to the chest and back. She is currently taking Benadryl at bedtime with little relief.

Objective: Vital Signs: Temperature 98.8 degrees, blood pressure, 140/80, weight 145, height 5 feet five inches, heart rate 74, respirations 22.

General Appearance: Normal

Hair: Within normal limits.

Skin: Katharine has had a smooth rash over her neck extending over her trunk and back as well.

Assessment: Contact dermatitis, secondary to allergy to perfume.

Plan: Avoid use of any perfume or perfumed soap. Wash or dry-clean all clothing and linens exposed to suspected perfume. Take Benadryl as needed, 25 mg x 3 days.

Rhonda Migaley, MD
