TOTAL POINTS _____ ***(214 points)***

Test Time: 90 minutes

GENERAL GUIDELINES:

Failure to adhere to any of the following rules will result in disqualification:

1. Member must hand in this test booklet and all printouts if any. Failure to do so will result in disqualification.
2. No equipment, supplies, or materials other than those specified for this event are allowed in the testing area. No previous BPA tests and/or sample tests (handwritten, photocopied, or keyed) are allowed in the testing area.
3. Electronic devices will be monitored according to ACT standards.

You will have 90 minutes to complete your work. The test is divided into two parts, and you **MUST** complete both parts.

PART ONE Instructions: Objective Questions

1. Open Google Chrome and navigate to compete.bpa.org.
2. Click on the Secondary Division Competitions button.
3. Enter your BPA Member ID (8-digits) and Password to access your test questions.
4. Answer all questions and submit your test.
5. Move on to Part Two.

PART TWO: Short Answer Problems

Complete the questions in the rest of this test booklet by filling in the PDF.

EXAM GUIDELINES:

You have been hired as a Financial Assistant and will be keeping the accounting records for Digital Solutions, located at 700 Morse Road, Suite 201, Columbus, Ohio 43214. Digital Solutions provides accounting and other financial services for clients. You will complete jobs for Digital Solutions' own accounting records, as well as for clients.

You will have 90 minutes to complete your work. The test is divided into two parts: concept knowledge and application knowledge.

Your name and/or school name should *not* appear on any work you submit for grading. Write your Member ID in the provided space. Staple all pages in order before you turn in your test.

Assumptions to make when taking this assessment:

- Round all calculations to two decimals at the final step.
- Round all percentages to one decimal place.
- Use 360 days for interest calculations.

Multiple Choice Questions

Directions: Identify the letter of the choice that best completes the statement or answers the question.

At the time of the acquisition, the land has a market value of \$120,000, the building \$250,000, the equipment \$70,000, and the furniture \$60,000. The cash paid for the transaction is \$450,000. What is the allocated cost of each of the assets?
- Land _____
 - Building _____
 - Equipment _____
 - Furniture _____
3. Carson Deli Company signs a 120-day, \$50,000, 7.5% note on November 10, 2022.
- What is the interest expense for 2022? _____
 - What is the interest expense for 2023? _____
 - What is the maturity value? _____
 - What is the maturity date? _____
4. Rent Expense and Utilities Expense for Tucker Sporting Goods is allocated to each department based upon square footage. Square footage for the Fort Worth location shows the following: Shoe Department – 800 square feet; Clothing Department – 1,400 square feet; Equipment Department – 1,800 square feet. The total expense for 2022 Rent Expense equals \$12,000, and for Utilities Expense equals \$14,000. Allocate Rent Expense and Utilities Expense to each department. (3 points each)

	Rent Expense	Utilities Expense
Shoes		
Clothing		
Equipment		

5. Rink & Diaz, a partnership, is liquidating its business. Before the liquidation process the company showed the following balances. The partnership agreement calls for a 60/40 split of profits, with 60% to Rink and 40% to Diaz.

Cash - \$12,320
 Net Equipment - \$39,750
 Accounts Payable - \$1,450

Jaden Rink, Capital - \$27,420
 Roberto Diaz, Capital - \$23,200

Assuming debts are paid in full, and equipment is sold for \$37,500, give the journal entry to distribute the remaining cash to the partners.

Debit Jaden Rink, Capital _____ Credit Cash _____

Debit Roberto Diaz, Capital _____

Problem 1. Depreciation (42 points – Each answer worth 2 points)

Jackson and Jackson Inc. purchased a piece of equipment to be used in the production of its widgets on July 2, 2022, for \$4,700, with a salvage value of \$300. Its estimated life is four years and 2,000 widgets. Jackson and Jackson, Inc. produced 320 units in 2022, 815 units in 2023, and 150 units in 2024 before the equipment was traded.
