Industry Certification (50 minutes)

MOS Word Associate Certification

GENERAL GUIDELINES:

Failure to adhere to any of the following rules will result in disqualification:

1. No equipment, supplies, or materials other than those specified for this event are allowed in the testing area. No previous BPA tests and/or sample tests (handwritten, photocopied, or keyed) are allowed in the testing area.
2. Electronic devices will be monitored according to ACT standards.

EXAM GUIDELINES:

1. Ensure this test booklet contains Jobs 1-4.
2. Key all jobs according to the instructions given.
3. Correct any and all formatting, spelling or grammar errors. Use the formatting guide in the *Style & Reference Manual*.
4. Your name or initials should *not* appear on any work you submit. Use your Member ID on any occasion you would normally key your reference initials.
5. In the lower **right** hand corner of ALL work submitted (unless otherwise specified), key your Member ID and job number.
6. If you complete the event before the end of the time allotted, notify the proctor. Time may be considered a factor in determining a winner when there is a tie score.

PART ONE Instructions: Production

Once you have completed all four jobs listed below, upload all competition materials (including project files, etc.) to the National BPA Pre-submit System at presubmit.bpa.org.

PRODUCTION STANDARDS	
0 Errors	100 Points
1 Error	90 Points
2 Errors	70 Points
3 Errors	50 Points
4+ Errors	0 Points

PART TWO Instructions: Industry Certification

This exam requires the MOS Word Associate Certification. Please do not leave your seat or exit the room until you have completed the certification. After the certification has been administered, you are permitted to leave.

Job 1: Letter

The following letter should be sent to Craig Keller at United Realty, 1452 Buckeye Street, Columbus, OH 43214 from Nancy Wells, CEO. Use the current date and the subject of the letter is digital solutions satellite office. Send a copy to Roger Meyer and Julie Smith. Please correct any spellings and grammar errors as you prepare your final draft.

Thank you for the recent meeting you had with the leadership here at Digital Solutions regarding the satellite office project we are beginning to work on this quarter. It was nice to listen to your background and expertise in searching for satellite offices and corporate real estate. That assures me that you are a great choice as our realtor on this project.

Enclosed you will find our updated chart of needs for this location. I want to highlight a few of the items from the chart here. Please consider these as priorities for our organization.

1. Easy accessibility to major highways and interstates.
2. Plenty of restaurants for members of the company to treat clients to a working luncheon.
3. Open concept with lots of windows for natural light and background scenery.
4. Adequate plumbing for floor kitchens and restroom facilities for staff.

In addition to the chart, remember our cost benefit analysis conversation. We plan to invest; however, real estate is at a utmost premium and we still want to walk away with a deal. I appreciate your sensitivity to the matter. This is another reason Digital Solutions is going with your firm.

As mentioned in our initial meeting, we need to have this office space FY2023 at the latest. We know that inventory is low, so our options need to be serious, so we can make a good decisions quickly. I am extremely interested in what you think about the few options we found in a preliminary search on our own. Please send those specification sheets to my office as soon as possible.

Finally, we should plan on meeting bi-weekly as this project takes off. My team will reach out to make a connection and set up a reoccurring calendar appointment. If you have further questions for myself, please reach out. Also, feel free to reach out to any other member of our team. We at Digital Solutions are looking forward to this newest addition to our office space. Great space, great clients, and great real estate!

Lets make this happen soon. Looking forward to working wit you on this project.

Job 2: Report

Key the following report from Julie Smith to Edna Renick. Use the current date for the report date. The title is Adequate Office Space. Please correct any spellings and grammar errors as you prepare your final draft.

The ongoing need for proper space in an office environment has become an ongoing topic that many companies have put on hold during a pandemic. However, there is more research showing that individual offices instead of an open office setting can warrant great strides in offering in-person work space. This gives the option to still be social distanced but able to collaborate with team members to work on projects.

Benefits of Larger Work Space

There are many benefits of having more work space for your employees. These are just a few that should be considered.

1. More space encourages personalization of work space by employees.
2. Adequate space empowers employees to multitask on many projects at once.
3. Individual offices offers confidential work spaces for employees to hold sensitive conversations as needed.

Drawbacks of Larger Work Space

There are a few set-backs with larger work space in a corporate office environment. These are just a few that should be considered.

1. Larger spaces will increase utilities needed to operate such space.
2. Increased office space does result in more property and footprint. This could have a tax increase when it comes to property taxes.
3. Enlarged spaces means an enlarged cleaning staff.

At the end of the day, the question will only be able to be answered by the demands of the office staff and the work environment. A company will have to do an in-depth analysis of what their wants and needs truly are for their work accommodations.

Job 3: Agenda

Using the following information create an agenda for Digital Solutions for the Satellite Office Committee. It will be held on the current date. The next meeting will be exactly two weeks from the current date (14 days). The meeting will be held in the 4th floor conference room A. Please correct any spellings and grammar errors as you prepare your final draft.

The meeting will be called to order by Nancy Wells. Following will be the roll call and reading of the minutes by committee secretary Edna Renick. Next will be Unfinished Business including topics on Real Estate Search, budget for satellite office. New business will wrap up the meeting including topics on presentation to the board and timeline of purchase. A reminder of the next meeting date and adjournment will conclude the meeting.

Job 4: Table

Key the following information into a table with borders. The title of the table should read Possible Satellite Office Locations by the Human Resource Department. You should calculate the totals on your own. Formulas are not necessary. Complete the math and update the total cost column. Autofit the column width for best fit so that the contents of each row other than the title row does not wrap. Please correct any spellings and grammar errors as you prepare your final draft.

Location	Meets Specifecations	Square Fotage	Price Per Sq. Ft.	Total Cost
825 North Street	Yes	13,452	\$55.25	
12668 Brookline Street	No	11,256	\$68.98	
14 West 7 th Ave.	No	25,526	\$275.58	
5252 Grey Street	Yes	32,158	\$455.00	
1000 Money Blvd.	Yes	29,789	\$312.55
