

Member ID: _____

Time: _____

Rank: _____

Fundamental Spreadsheet Applications (230)

NATIONAL 2023

Production (90 minutes)

Job 1: Sort/Filter and Subtotals _____ (100 points)

Job 2: Ranges and Formulas _____ (125 points)

TOTAL POINTS _____ (***225 points***)

Industry Certification (50 minutes)

MOS Excel Associate Certification

GENERAL GUIDELINES:

Failure to adhere to any of the following rules will result in disqualification:

1. No equipment, supplies, or materials other than those specified for this event are allowed in the testing area. No previous BPA tests and/or sample tests (handwritten, photocopied, or keyed) are allowed in the testing area.
2. Electronic devices will be monitored according to ACT standards.

EXAM GUIDELINES:

1. Ensure this test booklet contains Jobs 1-2.
2. Key all jobs according to the instructions given.
3. Correct any and all formatting, spelling or grammar errors. Use the formatting guide in the *Style & Reference Manual*.
4. Your name or initials should *not* appear on any work you submit. Use your Member ID on any occasion you would normally key your reference initials.
5. In the lower **right-hand** corner of ALL work submitted (unless otherwise specified), key your Member ID and job number.
6. If you complete the event before the end of the time allotted, notify the proctor. Time may be considered a factor in determining a winner when there is a tie score.

PART ONE Instructions: Production

Once you have completed both jobs listed below, upload all competition materials (including project files, etc.) to the National BPA Pre-submit System at presubmit.bpa.org.

FSA-Job1-MemberID.pdf

FSA-Job2-MemberID.pdf

PART TWO Instructions: Industry Certification

This exam requires the MOS Excel Associate Certification. Please do not leave your seat or exit the room until you have completed the certification. After the certification has been administered, you are permitted to leave.

Job 1 – Sort/Filter and Subtotals

Directions: Open the BUSINESS DATA spreadsheet from the folder.

Complete the project and add Filters and Subtotals to the data.

Sort and Filter Data

Apply a Custom Sort the Data and sort by Department (A to Z), then by Last Name (Z to A), then by Monthly Amount (smallest to largest)

Turn on Filters to the data.

Apply the following filters to the data

Department – Show Sales and Marketing

Line Number – is greater than or equal to 500

Last Name – begins with B OR begins with D

Subtotals

Using the Filtered Data, apply a Subtotal with the following settings.

Subtotal at each change in Department

Use Function: Sum

Add subtotal to Monthly Amount

Replace current subtotals

Summary below data

Formatting

Change the font to Times New Roman, 12 pt. for all of the data.

Bold and Center the Heading Row.

Apply a Light Grey, Background 2, Darker 50% Fill color to the Heading Row.

Add ALL BORDERS to the cells with data.

Printing

Change the Orientation to Landscape.

In the footer, key your Member ID and job number and align to the right.

Print the Spreadsheet.

Job 2 – Ranges and Formulas

Directions: Complete the project and add Ranges and Formulas to the data.

Open the DEPARTMENT TOTALS spreadsheet from the folder.

Format as Table Name Ranges

Select Cells A1:D16 and Format as a Table. Apply the White, Table Style Light 1 format to the data. Check the “My table has headers” box.

Add the TOTAL ROW Table Style Option

Resize Column D if needed.

Name the Table, Department Sales

Sort the data alphabetically by Department.

Select the cells A2:D6 and name the Range, SALES.

Select the cells A7:D11 and name the Range, SUPPORT.

Select the cells A12:D16 and name the Range, TRAINING.

Formulas

In cell C18 type, Sales Total.

In cell C19 type, Support Total.

In cell C20 type, Training Total.

Bold the text in cells C18:C20.

In cell D18, create a formula to find the SUM for the Sales Department using the SALES range in the formula.

In cell D19, create a formula to find the SUM for the Support Department using the SUPPORT range in the formula.

In cell D20, create a formula to find the SUM for the Training Department using the TRAINING range in the formula.

Apply the Currency number format to cells D18:D20. Bold the text in the same cells.

Printing

Change the Orientation to Landscape.

In the footer, key your Member ID and job number and align to the right.

Print the Spreadsheet.

Print Formulas

Show the Formulas on your spreadsheet

Resize Columns A through D so they fit the data.

Print the spreadsheet.
