**(235)**

**NATIONAL 2023**

**Production:**

Job 1: Import Data \_\_\_\_\_ (100 points)

Job 2: Pivot Table \_\_\_\_\_ (100 points)

**TOTAL POINTS** \_\_\_\_\_ (200 points)

**Test Time: 90 minutes**

### GENERAL GUIDELINES:

*Failure to adhere to any of the following rules will result in disqualification:*

1. Member must hand in this test booklet and all printouts if any.
2. No equipment, supplies, or materials other than those specified for this event are allowed in the testing area. No previous BPA tests and/or sample tests (handwritten, photocopied, or keyed) are allowed in the testing area.
3. Electronic devices will be monitored according to ACT standards.

### EXAM GUIDELINES:

1. Ensure this test booklet contains Jobs 1-2.
2. Key all jobs according to the instructions given.
3. Correct any and all formatting, spelling or grammar errors. Use the formatting guide in the *Style & Reference Manual*.
4. Your name or initials should *not* appear on any work you submit. Use your Member ID in any occasion you would normally key your reference initials.
5. In the lower **right** hand corner of ALL work submitted (unless otherwise specified), key your Member ID and job number.
6. If you complete the event before the end of the time allotted, notify the proctor. Time may be considered a factor in determining a winner when there is a tie score.
7. Place your scoring sheet on top of your jobs. Jobs should be placed in numerical order.

**GRADER: points are all or none unless otherwise noted.**

| <b>Job 1 (Import Data)</b>                                          | <b>Points Possible</b> | <b>Points Earned</b> |
|---------------------------------------------------------------------|------------------------|----------------------|
| Member # and Job # in right section of footer                       | 10                     |                      |
| Correct Data imported (text is formatted with banded rows)          | 10                     |                      |
| Text is converted to columns                                        | 10                     |                      |
| Header Row, Row 1 and 3 are removed                                 | 5                      |                      |
| New headings are typed in correct cells                             | 5                      |                      |
| Text is wrapped in Row 2                                            | 5                      |                      |
| Columns are resized to fit data                                     | 5                      |                      |
| Table is converted to a Range                                       | 10                     |                      |
| Title is Merged and Centered on page                                | 5                      |                      |
| Font of Title is updated to Arial, 20 pt.                           | 5                      |                      |
| Print Area set to only print A1:A16                                 | 10                     |                      |
| Data is centered horizontally on the page                           | 10                     |                      |
| Print Data                                                          | 10                     |                      |
