Rank: _____

FUNDAMENTAL DESKTOP PUBLISHING (400)

NATIONAL 2023

Production:

Job 1: Plaque _____ (145 points)

Job 2: Profile Frame _____ (170 points)

Job 3: Weekly Calendar _____ (160 points)

TOTAL POINTS _____ (475 points)

Test Time: 90 minutes

GENERAL GUIDELINES:

Failure to adhere to any of the following rules will result in disqualification:

1. No equipment, supplies, or materials other than those specified for this event are allowed in the testing area. No previous BPA tests and/or sample tests (handwritten, photocopied, or keyed) are allowed in the testing area.
2. Electronic devices will be monitored according to ACT standards.

EXAM GUIDELINES:

1. Ensure this test booklet contains Jobs 1-3.
2. Key all jobs according to the instructions given.
3. Correct any and all formatting, spelling or grammar errors. Use the formatting guide in the *Style & Reference Manual*.
4. Your name or initials should *not* appear on any work you submit. Use your Member ID in any occasion you would normally key your reference initials.
5. In the lower **right** hand corner of ALL work submitted (unless otherwise specified), key your Member ID and job number.
6. If you complete the event before the end of the time allotted, notify the proctor. Time may be considered a factor in determining a winner when there is a tie score.
7. All competition materials (including project files, completed job, etc.) must be submitted through the National BPA Pre-submit System (presubmit.bpa.org).

The Live Like Sean Foundation raises awareness about hypertrophic cardiomyopathy, a condition where the heart muscle is abnormally thick and can make it difficult for the heart to pump blood. In many cases, those with the condition do not exhibit any symptoms and are unaware they have it. The foundation was started in memory of Sean Sutton, a 22-year-old athlete who passed away in his sleep. Although Sean had annual physical exams when he participated in high school sports, he never had a checkup on his heart. If he had, it might have saved his life. The foundation's goals are to raise awareness about this condition and raise funds so that every athlete participating in school sports receives an echocardiogram and electrocardiogram if they cannot afford it. The foundation partners with local doctors and hospitals to host healthy heart checkups at area high schools and raises funds through a number of events. The foundation's board has hired you to design materials needed for the coming year.

JOB 1 - Design a plaque that will accompany a traveling trophy, given annually to the school that has the greatest percentage of participation in the healthy heart checkup clinics. The plaque is 8" x 10" with an overall imprint area of 7" x 9". The faceplate should be 7" x 4" with four rows of three trophy plates, each measuring 2" x 1". On the trophy plates list school name, percentage participation and year to indicate where this information would be filled in. The faceplate should feature a layered design with the following text: Live Like Sean Foundation, Healthy Heart Checkup Challenge Award, given annually in recognition to the high school recording the highest percentage rate of participation, Live with Heart. On an 8.5" x 11" document submit the design of the plaque, complete with faceplate and trophy plates with the indicated text.

JOB 2 - Create a profile picture frame for the "Our Purpose" page on the foundation's website. The profile picture is of Sean Sutton and the frame should feature his name, his picture and incorporate photos and/or graphics relating to his favorites - nature, running, working out, his Labrador retriever Sam, playing guitar, reading and camping. The frame should fit within a 4" x 4" space designated on an 8.5" x 11" document.

JOB 3 - To go along with its theme to Live with Heart, the foundation will sell 5" x 8" planners. Design a two-page weekly view with sections for each day of the week, spaces for a to-do list, water and exercise tracker, monthly goal progress tracker and notes section. Allow room within each section for notes. Each week will also feature an inspirational quote. Use the quote "If you always put limits on everything you do, physical or anything else, it will spread into your work and into your life. There are no limits. There are only plateaus, and you must not stay there, you must go beyond them." - Brue Lee. For purposes of the design, use the week of January 7-13, 2024 with the 7th being a Sunday. The two-page weekly view must fit within a 10" x 8" space.

Job 1: Plaque			
TECHNICAL SPECIFICATION POINTS (All points or none are awarded for each technical requirement).			
	<i>Points</i>	<i>Score</i>	<i>Total</i>
Plaque is 8" x 10" with imprint area of 7" x 9"; faceplate is 7" x 4" and contains 12 trophy plates each measuring 2" x 1" laid out in three rows	25		
Trophy plates include text: <i>school name, percentage participation, year</i>	15		
Faceplate includes the text: <i>Live Like Sean Foundation, Healthy Heart Checkup Challenge Award, given annually in recognition to the high school recording the highest percentage rate of participation, Live with Heart</i>	20		
Faceplate includes a layered design	5		
Accurate spelling, punctuation, and grammar	5		
Contestant Number and Job Number in lower right corner	5		
DESIGN ELEMENTS TO EVALUATE (Points awarded may range from 0 and up for each design element)			
Faceplate is distinctive, effectively using fonts, typestyles, and sizing	0-20		
Plaque applies principles of design and rules for proper layout and readability	0-20		
Overall design effectively incorporates type styles, sizing, placement, and graphics	0-30		
Total points possible	145		

Job 2: Profile Frame			
TECHNICAL SPECIFICATION POINTS (All points or none are awarded for each technical requirement).			
	<i>Points</i>	<i>Score</i>	<i>Total</i>
Frame is contained within a 4" x 4" box	5		
Frame features picture of Sean Sutton, and photos or graphics related to his favorites – nature, running, working out, his Labrador retriever Sam, playing guitar, reading, and camping	40		
Frame features the name Sean Sutton	5		
Accurate spelling, punctuation, and grammar	5		
Contestant Number and Job Number in lower right corner	5		
DESIGN ELEMENTS TO EVALUATE (Points awarded may range from 0 and up for each design element)			
Frame makes effective use of its size	0-10		
Frame effectively uses fonts, typestyles, and sizing	0-20		
Graphics used are appropriately sized and effectively integrated together as part of the frame.	0-30		
Frame applies principles of design and rules for proper layout	0-20		
Overall design effectively incorporates typestyles, sizing, placement, and graphics	0-30		
Total points possible	170		

Job 3: Planner			
TECHNICAL SPECIFICATION POINTS (All points or none are awarded for each technical requirement).			
	<i>Points</i>	<i>Score</i>	<i>Total</i>
Design is 10" x 8"	5		
Design is a two-page weekly view for January 7-13, 2024 with January 7 th being a Sunday	15		
Design features sections for each day of the week, spaces for a to-do list, water and exercise tracker, monthly goal progress tracker and notes section	10		
Design includes the text: <i>"If you always put limits on everything you do, physical or anything else, it will spread into your work and into your life. There are no limits. There are only plateaus, and you must not stay there, you must go beyond them."</i> - Brue Lee	10		
Accurate spelling, punctuation, and grammar	5		
Contestant Number and Job Number in lower right corner	5		
DESIGN ELEMENTS TO EVALUATE (Points awarded may range from 0 and up for each design element)			
Planner effectively uses fonts, type styles, and sizing	0-20		
Planner applies principles of design and rules for proper layout	0-30		
Planner design provides space within each section for notes	0-30		
Overall design effectively incorporates type styles, sizing, placement	0-30		
Total points possible	160
