Job 1: Letter

[Current Date]

Ms. Angela Rodriguez
Local Office Supply
5898 Washington Street
Chicago, IL 60007

Dear Ms. Rodriguez

The purpose of the letter is to inform Local Office Supply of Chicago that Digital Solutions has had many issues with supply received from the Ohio distribution center. In recent orders, shipments have been damaged and product has been missing. It is especially noticeable when shipments come from the Ohio center.

If this is the quality of shipment to be expected by the distribution center, Digital Solutions will need to do an analysis of potentially switching the preferred vendor for office supplies at our corporate headquarters. The office supply industry is highly competitive, and we appreciate the ongoing strong working relationship we have with Local Office Supply.

We are certainly expecting an increase of quality assurance in future shipments. Please call me as soon as possible to discuss this ongoing concern. If we do not hear back from a representative of your company within 14 business days of the date of this letter, we will consider no action will be taken and we will cancel our ongoing account with your business. I am looking forward to hearing from you soon.

Sincerely

Edna Renick
