It is time to start the yearly process of evaluating our starting salaries at Digital Solutions. We want to make certain that our starting salaries are competitive amongst other similar businesses in our industry. We consider ourselves to be the leader in developing and selling software, hardware, and services. We must make sure our starting salary encourages the best in the industry to apply.

Please look over the enclosed Digital Solutions Payroll spreadsheet. As the director of the «Department» department, we need your input. Please compare your department starting salaries to all the other departments. If you feel that any of your starting salaries are not competitive, please let us know immediately.

«First_Name», thank you for all that you do at Digital Solutions. We appreciate you taking the time to research and determine the starting salaries that will help Digital Solutions recruit the best in the industry.

Sincerely

Nancy Wells
