7. Place your scoring sheet on top of your jobs. Jobs should be placed in numerical order.

The Live Like Sean Foundation raises awareness about hypertrophic cardiomyopathy, a condition where the heart muscle is abnormally thick and can make it difficult for the heart to pump blood. In many cases, those with the condition do not exhibit any symptoms and are unaware they have it. The foundation was started in memory of Sean Sutton, a 22-year-old athlete who passed away in his sleep. Although Sean had annual physical exams when he participated in high school sports, he never had a checkup on his heart. If he had, it might have saved his life. The foundation's goals are to raise awareness about this condition and raise funds so that every athlete participating in school sports receives an echocardiogram and electrocardiogram if they cannot afford it. The foundation partners with local doctors and hospitals to host healthy heart checkups at area high schools and raises funds through a number of events. The foundation's board has hired you to design materials needed for the coming year.

Job 1 - Create a raffle ticket for the foundation. The raffle ticket should utilize type size, lines and/or gradient to establish hierarchy and readability of the information. The overall size of the raffle ticket is 2" x 6". The raffle ticket has two sections. On the top section list a space for a number, starting with 00001, name, address, city, state, zip code and phone and provide a designated line for each. Indicate a perforated line between this portion and the bottom portion. On the bottom portion include the following information: Live Like Sean Annual Raffle; \$20,000 in total prizes; drawing date September 18, 2023; first prize \$10,000, second prize \$5,500, third prize \$3,000, fourth prize \$1,000, fifth prize \$500; Winner need not be present to win; Must be 18 years old to purchase; Live Like Sean Foundation (Licensee) conducts this raffle for the benefit of the Live Like Sean Foundation; License Number R67324; donation \$5.00; Number 00001.

Designate the size and submit the design on an 8.5" x 11" document.

Job 2 - Create a registration form for the annual Live with Heart 5K race which is scheduled for April 22, 2023 at 9 a.m. at Highland Recreation Area, 554 Randall Road, Fraser's Ridge, NC, 27155. Registration is \$50 and includes a T-shirt, snacks and water on the day of the race. The registration form should have the following category headings: Contact information, T-shirt Size, Payment Type. Include the following text with an accompanying line for each: name, address, city, state, zip code, telephone number, email address, payment, credit card number, expiration date, CVV, donation amount, total. Check boxes should be located near the following text: Youth Small, Youth Medium, Youth Large, Adult Small, Adult Medium, Adult Large, Adult X-Large, Adult 2X-Large, Adult 3X-Large, cash, check, credit card. The registration form should include the name and location of the event, time, date, cost as well as other criteria indicated on the form. Design the form in two parts, separated with a designated perforated line so that the participant still has the date, location and time once the form has been submitted. Submit design on an 8.5" x 11" document but the design does not need to take up the entire space.

Job 3 - Create a running bib template for the Live with Heart 5K race. The bib should feature the name of the race, the date of April 22, 2023, the location of Highland Recreation Area and numbers that can easily be read at a distance. For purposes of the template, use the numbers 5824 on the bib. The bib should feature a designed border at the top and bottom. Indicate with four circles where holes would be placed to allow the participant to pin the bib to a shirt. The bib size is 7.5" x 5.75". Designate that space and submit the design on an 8.5" x 11" document.
