COMPUTER MODELING

(425)

STATE 2023

Topic

Create a futuristic character for an upcoming theater production that takes place in the year 2332.

Judging Procedure

- As a team of judges, formulate two to three questions to ask at the conclusion of the presentation. Be sure to ask the same questions of each contestant.
- Contestants will present before a panel of judges and timekeeper.
- The length of set-up/wrap-up will be no more than three (3) minutes.
- The length of the presentation will be no more than ten (10) minutes; followed by judges' questions not to exceed five (5) minutes.
- Excuse contestants upon completion of judges' questions.
- **There can be no ties in the top ten (10) contestants.** It is the responsibility of the judges to break any ties.
- Administrator will fill out ranking sheet prior to dismissing the judges.
- If more than one (1) section is necessary, finalists will be determined by selecting an equal number from each section.
- Give administrator all Judges' Scoring Rubrics, Judge Comment Sheets, and contest materials.
- No audience is allowed in the contest room.

Please double-check and verify all scores!

Possible Questions

- What challenges did you face when creating this project?
- What research did you conduct prior to creating your model?
- Who do you feel will enjoy your model the most?
- Why did you choose the software you used for this project?
- What part of this project are you the proudest of?
- If you were to make this model again, what would you do differently?
- What problem solving skills did you apply in this event?
