# HEALTH ADMINISTRATION PROCEDURES (610) **STATE 2023**

**Multiple Choice:**

40 @ 2 points each \_\_\_\_\_ (80 points)

**Production:**

Job 1: Letter \_\_\_\_\_ (100 points)

Job 2: HPIP Medical Transcription Form \_\_\_\_\_ (100 points)

TOTAL POINTS \_\_\_\_\_ (280 points)

**Test Time: 60 minutes**

### GENERAL GUIDELINES:

***Failure to adhere to any of the following rules will result in disqualification:***

1. Member must hand in this test booklet and all printouts if any.
2. No equipment, supplies, or materials other than those specified for this event are allowed in the testing area. No previous BPA tests and/or sample tests (handwritten, photocopied, or keyed) are allowed in the testing area.
3. Electronic devices will be monitored according to ACT standards.

### EXAM GUIDELINES:

1. Ensure this test booklet contains Jobs 1-2.
2. Key all jobs according to the instructions given.
3. Correct any and all formatting, spelling or grammar errors. Use the formatting guide in the *Style & Reference Manual*.
4. Your name or initials should *not* appear on any work you submit. Use your contestant number in any occasion you would normally key your reference initials.
5. In the lower **right**-hand corner of ALL work submitted (unless otherwise specified) key your contestant number and job number.
6. If you complete the event before the end of the time allotted, notify the proctor. Time could be considered a factor in determining a winner when there is a tie score.
7. Place your scoring sheet on top of your Jobs. Jobs should be in numerical order.

| PRODUCTION STANDARDS |            |
|----------------------|------------|
| 0 Errors             | 100 Points |
| 1 Error              | 90 Points  |
| 2 Errors             | 70 Points  |
| 3 Errors             | 50 Points  |
| 4+ Errors            | 0 Points   |

### Multiple Choice

**Directions:** Identify the letter of the choice that *best* completes the statement or answers the question.

1. A patient has been waiting to see the doctor for 20 minutes during a busy day in the medical clinic. What might be the best way to communicate with this client?

**Job 1: Patient Letter**

*Directions: Using the rough draft of the letter below, create a patient letter with appropriate formatting. Use today's date for the date of the letter. Use your contestant number where you would key your initials.*

**Patient Name:** Bob Watson

**Patient Address:** 1223 Fort Worth Way San Diego, CA 92251

**Subject:** Missed Appointment

**Text:**

Dear Mr. Watson,

Our records indicate that you have missed an appointment on December 16, 2021.

Please call the office to reschedule this appointment. As a reminder, we request that you notify us within 24 hours if you need to cancel your appointment.

We look forward to hearing from you.

Sincerely, Dr. Andrew Johnson, M.D.

**Copied:** Nancy Smith, Office Manager

## Job 2: HPIP Medical Transcription Form

*Directions: Below is a patient note from Dr. Edgar Smith. Transcribe the note into HPIP format. Use yesterday as the date of exam and dictation. Use today as the date of recorded transcription. Use your contestant number where you would key your initials.*

**Patient Name:** Jessica Wiley

**Date of Birth:** 11/14/1983

**Primary Care Physician:** Dr. Benson

**Sex:** Female

**History:** Patient is a 38-year-old female who experienced a fall onto her left wrist on February 3, 2021.

**Medications:** Patient is currently taking Ibuprofen 600 mg QID as needed for pain. She also takes a daily multivitamin.

**Exam:** BP 132/78, HR 68 bpm, and RR 12 breaths/minute. Left wrist is tender to the touch with bruising. Exam is otherwise negative.

**Impression:** Patient has sustained a left wrist fracture.

**Plan:** Wrist will be splinted today in the clinic. Patient will return to the office in one week for follow-up x-rays and a cast will be applied if swelling has decreased.
