Welcome members of the Cancer Warrior Foundation. We at Digital Solutions are so excited to be partnering with the American Cancer Society to offer support to families in our vicinity, whatever that support might be.

Digital Solutions would like to thank all the employees and community members that have volunteered to come together in the fight for the people of Columbus who are up against the biggest fight of their lives.

Today our focus will be on forming committees that will revolve around the different areas of need. Patient needs, family needs, and fundraising needs are the initial committees that will be formed, as well as a committee that will act as liaison with our local American Cancer Society right here in Columbus. Once the committees are formed, committee chairs will be elected, and fundraising possibilities and ideas will be discussed.

As far as time commitments, we will plan to meet on the 4<sup>th</sup> Wednesday of every month at 1:00 p.m. here in the North Conference Room. Committees may choose to continue their individual meetings on the same day following the monthly meeting, or committees may choose a different time and location.

At this time, we will start the meeting with a Call to Order.
