

FUNDAMENTAL DESKTOP PUBLISHING (400)

STATE 2024

PRODUCTION:

JOB 1: Flyer	_____ (140 points)
JOB 2: ID card	_____ (135 points)
JOB 3: Certificate	_____ (155 points)
<i>TOTAL POINTS</i>	_____ (<i>430 points</i>)

Test Time: 90 minutes

GENERAL GUIDELINES:

Failure to adhere to any of the following rules will result in disqualification:

1. Member must hand in this test booklet and all printouts if any. Failure to do so will result in disqualification.
2. No equipment, supplies, or materials other than those specified for this event are allowed in the testing area. No previous BPA tests and/or sample tests (handwritten, photocopied, or keyed) are allowed in the testing area.
3. Electronic devices will be monitored according to ACT standards.

EXAM GUIDELINES:

1. Ensure this test booklet contains Jobs 1-3.
2. Key all jobs according to the instructions given.
3. Correct any and all formatting, spelling or grammar errors. Use the formatting guide in the *Style & Reference Manual*.
4. Your name or initials should **not** appear on any work you submit. Use your Member ID in any occasion you would normally key your reference initials.
5. In the lower **right** hand corner of ALL work submitted (unless otherwise specified), key your Member ID and job number.
6. If you complete the event before the end of the time allotted, notify the proctor. Time may be considered a factor in determining a winner when there is a tie score.
7. Place your scoring sheet on top of your jobs. Jobs should be placed in numerical order.

Wexham is a thriving, growing city looking to be more visible and publicize its numerous activities. You have been hired to assist with the following:

JOB 1 – The city is planning its 5th Annual “Tons of Trucks” event. Children will be able to see a variety of construction vehicles, first responder vehicles as well as other vehicles up close. The city hired you to design a flyer to be hung around town to advertise the event. The event will be held on Saturday, October 5, 2024, from 10 a.m. to 4 p.m. at the Wexham Farmer’s Market parking lot. There is no cost to attend. Food trucks and other vendors will be onsite. Free parking will be available in surrounding lots.

The flyer should be 8.5” x 11” and include the name of the event, date, time, location, free admission and parking with various food and vendors. The flyer should use multiple graphics to provide families with an idea of what to expect at the event.

JOB 2 – At the “Tons of Trucks” event, families will be able to have their children fingerprinted and will receive an ID card to record key information. The card is 7” x 5” and should be titled ID Card and be designed as a table with a border around the table and each cell. Within the cell should be text designating what information should be placed in that cell. The size of the cell should be adjusted based on what information is placed in that cell. Items to include on the ID Card include the following:

- Name
- Address
- Gender
- Eye Color
- Hair color
- Date of Birth
- Left thumb
- Left index
- Left middle
- Left ring
- Left pinky
- Right thumb
- Right index
- Right middle
- Right ring
- Right pinky
- Current photo

JOB 3 – The city is planning to hand out certificates to those companies and city departments that are donating their time and bringing vehicles to the “Tons of Trucks” event. The certificate is 11” x 8.5” and should include the words “Certificate of Appreciation”, centered in the upper quarter of the page followed by “awarded to” centered on the next line. A 2” spacing should be placed between this line and the following text “in recognition for your dedication and commitment to ensuring the success of the 5th Annual “Toys of Trucks”. In the bottom quarter of the certificate should be two 2” parallel lines placed 3” apart. Centered under the line on the left is the text “Elizabeth Cochrane, Mayor” and on the right, “Date.” The certificate should include at least one graphic element. The city would like the certificate to be modern in appearance and avoid having a border.

Job 1: Flyer			
TECHNICAL SPECIFICATION POINTS (All points or none are awarded for each technical requirement).			
	<i>Points</i>	<i>Score</i>	<i>Total</i>
Flyer is 8.5” x 11”	5		
Flyer contains the following text: 5 th Annual “Tons of Trucks”; October 5, 2024; 10 a.m. – 4 p.m., Wexham Farmer’s Market, free admission and parking with various food and vendors.	30		
Flyer should incorporate more than one graphic	5		
Accurate spelling, punctuation, and grammar	5		
Contestant Number and Job Number in lower right corner	5		
DESIGN ELEMENTS TO EVALUATE (Points awarded may range from 0 and up for each design element)			

Flyer effectively uses fonts, typeface, and sizing	0-20		
Flyer applies principles and elements of design for layout and readability	0-20		
Incorporation of graphics enhances the flyer's appearance	0-20		
Overall design effectively incorporates type styles, sizing, placement, and graphics	0-30		
Total points possible	140		

Job 2: ID card			
TECHNICAL SPECIFICATION POINTS (All points or none are awarded for each technical requirement).			
	<i>Points</i>	<i>Score</i>	<i>Total</i>
ID card is 7" x 5"	5		
ID card is designed as a table with a border and each cell includes a border	5		
Table includes the title <i>ID Card</i> and each cell contains text. Text includes: Name; Address, Gender, Eye Color, Hair color, Date of Birth, Left thumb, Left index, Left middle, Left ring, Left pinky, Right thumb, Right index, Right middle, Right ring, Right pinky and Current photo	25		

Accurate spelling, punctuation, and grammar	5		
Contestant Number and Job Number in lower right corner	5		
DESIGN ELEMENTS TO EVALUATE (Points awarded may range from 0 and up for each design element)			
Cells are sized appropriately to allow proper space for the information contained within them	0-20		
Design effectively uses fonts, typeface, and sizing	0-20		
Design applies principles and elements of design for layout	0-20		
Overall design effectively incorporates tpestyles, sizing, and placement	0-30		
Total points possible	135		

Job 3: Certificate			
TECHNICAL SPECIFICATION POINTS (All points or none are awarded for each technical requirement).			
	<i>Points</i>	<i>Score</i>	<i>Total</i>
Design is 11" x 8.5"	5		
Design includes the text: "Certificate of Appreciation", "is awarded to", "in recognition for your dedication and commitment to ensuring the success of the 5 th Annual "Toys of Trucks", "Date" and "Elizabeth Cochrane, Mayor"	20		
Text is placed at the correct points per the instructions: upper quarter of the certificate, 2" after the first two lines of text, and underneath the two lines which are located towards the bottom quarter of the certificate	10		
Design features two lines that are each 2" long and a graphic	10		

Accurate spelling, punctuation, and grammar	5		
Contestant Number and Job Number in lower right corner	5		
DESIGN ELEMENTS TO EVALUATE (Points awarded may range from 0 and up for each design element)			
Certificate effectively uses fonts, typeface, and sizing	0-20		
Graphic enhances overall certificate design	0-20		
Certificate is a modern design, applying principles and elements of design for layout	0-30		
Overall design effectively incorporates a graphic, type styles, sizing, placement	0-30		
Total points possible	155
