Job 1: Itinerary _____ (100 points)

Job 2: Memorandum with Mail Merge

Print 1 _____ (150 points)

Print 2 _____ (50 points)

Job 3: Table of Contents _____ (100 points)

Job 4: Two-Page Report _____ (100 points)

TOTAL POINTS _____ (***500 points***)

Test Time: 90 minutes

GENERAL GUIDELINES:

Failure to adhere to any of the following rules will result in disqualification:

1. Member must hand in this test booklet and all printouts if any.
2. No equipment, supplies, or materials other than those specified for this event are allowed in the testing area. No previous BPA tests and/or sample tests (handwritten, photocopied, or keyed) are allowed in the testing area.
3. Electronic devices will be monitored according to ACT standards.

EXAM GUIDELINES:

1. Ensure this test booklet contains Jobs 1-4.
2. Key all jobs according to the instructions given.
3. Correct any and all formatting, spelling or grammar errors. Use the formatting guide in the *Style & Reference Manual*.
4. Your name or initials should *not* appear on any work you submit. Use your Member ID in any occasion you would normally key your reference initials.
5. In the lower **right-hand** corner of ALL work submitted (unless otherwise specified), key your Member ID and job number.
6. If you complete the event before the end of the time allotted, notify the proctor. Time may be considered a factor in determining a winner when there is a tie score.
7. Place your scoring sheet on top of your jobs. Jobs should be placed in numerical order.

MEMORANDUM (at 1" top margin)

TO: «Contact_Person»

FROM: Tom Carlson, Information Technology

CC: Nancy Wells, CEO

DATE: Current Date

SUBJECT: Confirmation of Technology Pricing

Thank you for taking the time to discuss with me by phone the current technology needs of Digital Solutions for our remote employees. Having dealt with «Vendor» in the past, we have been impressed with the quality of your products and the level of service you have provided to our company.

As we discussed, we are interested in purchasing computer units for use by our remote employees. These computers will be used for general business tasks, including administrative support, graphic design, financial services, videoconferencing, etc. Together, we have determined that the unit we discussed, with all peripherals, will allow our employees to remain productive away from the office setting.

Once we were able to settle on the specific hardware, which I recently confirmed with you by email, you verbally provided me with a quote of «Price_Per_Computer_Unit» per unit for «Number_of_Units» units.

I am asking that you provide me with a formal quote in the above quantity and price per unit, including any taxes, shipping costs and total. Also, please indicate the estimated delivery timeline for these units, as we must have them delivered as soon as possible.

Once I have confirmation by way of a formal quote, I will be arranging to make a visit to see your facility in «City», at which time I would like to meet with you and have one of your team members demonstrate the product and its features. After that has been accomplished, Digital Solutions will decide upon a vendor for this purchase.

Please send me your formal quote so that we may move this process forward in an expeditious fashion. Thank you for your time!

Job 4: Report

Carlson 1

Tom Carlson

Nancy Wells

Chief Executive Officer

Current Date (Military Style)

Procurement of Equipment for Remote Employees

Digital Solutions is soliciting quotes from four businesses for new computer equipment and all peripherals for our remote employees. It is important that all employees have the tools and resources necessary to be successful in a remote environment. This report will provide information about the procurement process.

Procedure

The technology companies have received specifications and have given verbal price quotes. We have now requested confirmation in writing of those quotes to be submitted in the next **five** days. We will review all quotes once they have been submitted.

In-Person Visits

As the Information Technology Department Manager, I will be visiting each of the vendors from which we are considering purchasing equipment to speak with the sales manager and observe a demonstration of the product in question. Those visits will take place in the near future and will assist greatly in determining the best product for our remote purposes.

Corporate Requirements

According to the Bylaws of Digital Solutions, Article IX, §9.08, we are required to abide by the following:

Carlson 2

All purchases with a total cost greater than \$20,000 must be authorized by the Board of Directors. The organization shall allocate funds according to the approved budget, and any budget amendments must be approved by the Board of Directors. Quotations shall be solicited from multiple vendors in order to ensure competitive pricing and quality. A contract must be entered into with the selected vendor for the purchase of equipment. Such contract must include, at a minimum, specifics related to price, payment terms, warranties, and delivery schedules.ⁱ

Approval Process

Written approval by the Board of Directors must be obtained before an order is placed with the vendor.

I am hopeful that this report provides a clear framework for the procurement of technology tools for our remote employees.

ⁱ Digital Solutions, Constitution & Bylaws, 2002.
