Job 1: Workshop Evaluation Form

To familiarize the employees at Digital Solutions with the new online learning management system (POLs), we are offering workshops at various dates and times. Following each workshop, we will have the participants complete an Evaluation Form to submit input for future sessions.

1. Create a Workshop Evaluation Form which we can give workshop participants at the end of their training session to be used to evaluate the instructor and the content of the workshop.
2. Include the following heading at the top of the form:
 - a. POLS—Training Evaluation Form
 - b. Name of Presenter
 - c. Date and Time of Session
3. Include the following items (See No. 4) to be scored with the following rating scale:
Indicate your level of agreement with each statement below by circling your response.
5 = Strongly Agree
4 = Agree
3 = Neutral = Neither Agree or Disagree
2 = Disagree
1 = Strongly Disagree
4. Include the following questions to be evaluated:
 - a. Workshop was well organized, and the main points were well-covered and clarified.
 - b. Skills gained by attending this workshop are valuable and applicable.
 - c. Facilities and equipment were conducive to learning.
 - d. Presenter(s) demonstrated comprehensive knowledge of the subject matter by using practical examples and applications.
 - e. Presenter(s) helped participants to understand how the workshop material related to their job/position.
 - f. Presenter(s) conveyed ideas effectively and clearly, and the material was informative and easy to understand.
5. Include the following questions at the end of the evaluation form where the participant can write in their responses:
 - a. What was the **most** valuable aspect of this workshop?
 - b. What was the **least** valuable aspect of this workshop?
 - c. What can be done to improve this workshop?
 - d. Additional comments and/or suggestions for future workshops.
6. Include a “Thank You” at the bottom of the form thanking the participant for completing the form.

Job 2: Logos Design

- Create two logos for our new learning management system for teaching and training professional development activities:

POLS = Professional Online Learning System

- Include our tagline: “Making Employees Professional” on one; on the other develop a tagline of your choice.

Job 3: Sample Webpage Design

Using the following information, prepare a sample webpage design (created as a Word or Publisher document) we can give to our Information Technology Department, who will design the finished webpage. Be sure to include one of the logos designed in Job 2.

Include in the design:

Digital Solutions is now offering its employees an opportunity to complete classes online through its new online management system—Professional Online

Learning System (POLS). Click on the links below to explore the various options and content.

Reference Manual – Click here to download a Quick Reference Guide.

Evaluation Form – Click here to download a Workshop Evaluation Form.

Remember to:

- Make the webpage look appealing and attractive.
- Use bullets, lines, etc. to make information easy to read and follow.
- Feel free to add any additional items you wish to make the sample webpage practical.

Job 4: Certificate of Completion

The next task is to create a Certificate of Completion we can present to our employees after completing the POLS Workshop.

- Include one of the PLS logos you previously designed as a watermark. (*Designed in Job 2*)
- Use the name of Tom Carlson as a sample name for the certificate.
- Include a signature line to be signed by Julie Wells. Be sure to include her title. Include a date on the certificate.
- Be sure to include all necessary information for a Certificate of Completion.

Job 5: Slideshow

As part of the introduction to our new learning management system—POLS—we will be conducting several workshops and open sessions. Therefore, we need a slideshow we can show at various events during company events and to employees. Using the information below, prepare an appropriate slideshow.

- Orientation: Portrait
- On Slides 1 (Title) and 5 (End), add some comments of your own on the Notes Pages.

Title Slide:

Professional Online Learning Systems (POLS)

An Introduction

- Include Digital Solutions in the Master so it will appear on each slide. Also include page numbers for each slide.

Slide 2:

POLS – Professional Online Learning System – Our new online learning system for completing professional development courses and activities, which present a better image to our customers on behalf of Digital Solutions.

Slide 3:

Advantages: Can complete activities at own pace; can complete courses at home or at work; system is user friendly; those completing the activities/courses will present a better public relations image for our company

Slide 4:

Features: Easy-to-learn; newly developed; user friendly; quick turnaround time on assistance; new course can be added quickly; cloud accessed

Slide 5:

Questions/Follow-Up:

- Include the following on the last slide: If you have questions or need assistance, please email the Help Desk at pols@pds.org.

Slide 6:

Thank You For Attending Today's Session!!! Best wishes for much success as you learn the many features of POLS!

When completed, print the slideshow with three slides to a page. Also, print Notes Pages.
