PRELIMS**

TOPIC

Background: VisionVR is an imaginative “fictitious” and forward-thinking virtual reality (VR) entertainment company founded by local entrepreneur, Emily Vision. With an unwavering commitment to immersive experiences, VisionVR is on a mission to redefine entertainment through cutting-edge VR technology, crafting unforgettable adventures for consumers. Since its inception, VisionVR has garnered acclaim for its ingenuity and dedication to delivering extraordinary virtual experiences. Now, poised for growth, VisionVR is exploring the prospect of expanding into the domestic market.

Task: Your marketing team has been hired to devise a comprehensive marketing plan for VisionVR's domestic expansion. Within the next one to three years, VisionVR is striving to establish a presence in a U.S. city of your choosing, with ambitions for international expansion within five to seven years. Additionally, your team will deliver a polished presentation encompassing the research findings and strategic recommendations for VisionVR. This presentation will serve as a catalyst to showcase your team's insights and proposed strategies to key stakeholders within the company, effectively communicating the value of the marketing plan and instilling confidence in VisionVR's future growth and prosperity. Prepare to articulate and defend your recommendations from a marketing standpoint, leveraging the power of marketing expertise to propel VisionVR towards success in the competitive landscape of virtual entertainment.
