HEALTH RESEARCH PRESENTATION (615)

NATIONAL 2025 PRELIMS

TOPIC

The healthcare system is currently experiencing an increase in mental health-related issues such as patient anxiety and staff burnout. Create a presentation for the Board of Directors at a nearby hospital proposing they establish an animal-assisted program to benefit patients and staff.

JUDGING PROCEDURE

- As a team of judges, formulate two to three questions to ask at the conclusion of the presentation. Be sure to ask the same questions of each contestant.
- The length of set-up will be no more than three (3) minutes.
- Set-up will be stopped at three (3) minutes to begin the presentation.
- The presentation will be no less than seven (7) minutes and more than ten (10) minutes.
- The presentation will be stopped at ten (10) minutes; followed by judges' questions not to exceed five (5) minutes.
- Excuse contestants upon completion of judges' questions.
- There can be no ties in the top ten (10) contestants. It is the responsibility of the judges to break any ties.
- The Administrator will fill out the ranking sheet prior to dismissing the judges.
- If more than one (1) section is necessary, finalists will be determined by selecting an equal number from each section.
- Give administrator all Judges' Rating Sheets, Judge Evaluation Sheets and contest materials.
- No audience is allowed in the contest room

POSSIBLE JUDGE QUESTIONS

1. What training and certification would be required for animals and handlers involved in the program?
2. How would you ensure the safety and well-being of both the animals and the participants in the program?
3. What are the potential costs associated with implementing an animal-assisted program, and how would you propose funding it?
4. How would you integrate the animal-assisted program into the existing hospital operations without disrupting patient care?
5. What are the legal and ethical considerations of introducing animals into a healthcare environment?
