Job 2 – Speech

Key the following speech using your *Style & Reference Manual*. Correct any spelling and punctuation errors you find. This speech is for the Opening Remarks at the next Digital Solutions company meeting.

Speech:

Ladies and gentlemen and esteemed guests,

Today, I stand before you to shed light on a financial tool that often goes overlooked but holds immense importance in securing our financial well-being: the Health Savings Account, or HSA.

In an era where healthcare costs are soaring, and uncertainties abound, the significance of having a safety net for medical expenses cannot be overstated. This is where the HSA steps in as a beacon of financial prudence and preparedness.

First and foremost, let us understand what a Health Savings Account truly is. An HSA is a tax-advantaged savings account designed specifically for medical expenses. It allows individuals to set aside funds on a pre-tax basis to cover qualified medical expenses, including deductibles, copayments, and other out-of-pocket costs. What sets the HSA apart is its triple tax advantage: contributions are tax-deductible, earnings within the account grow tax-free, and withdrawals for qualified medical expenses are also tax-free.

Now, let us delve into why the Health Savings Account is not just another financial tool but a crucial aspect of our financial planning.

Financial Security: With healthcare costs on the rise, unexpected medical expenses can wreak havoc on our finances. An HSA provides a dedicated fund to cover these expenses, offering peace of mind and financial security for ourselves and our families.

Tax Advantages: As mentioned earlier, the tax benefits of an HSA are unparalleled. Contributions reduce taxable income, allowing individuals to save on taxes immediately. Furthermore, earnings within the account grow tax-free, compounding over time to build a substantial nest egg for future medical needs.

I urge each one of you to consider the importance of an HSA in your financial planning journey. Let us seize this opportunity to secure our health and financial well-being for generations to come. Thank you.

Job 3 – Memorandum

Directions:

Key the following memorandum for Digital Solutions using the Style & Reference Manual. Correct any spelling and punctuation errors you find. Please list the areas of importance using enumerations. The areas of importance begin with the second paragraph (beginning with Get Started). Remove any hyperlinks that might occur in the document.

The purpose of this memo is to detail the Health Savings Account (HSA). Please send to all employees from Nancy Wells, CEO effective 3/24 of the current year. Visa is a registered trademark. When keying information in the first area of importance (Get Started), please **BOLD** the Zora web address, and the following words: Continue, New User, Sign In to Your Account, Username and Password.

Memorandum:

We are happy to report that we have made an important decision by choosing Bank of Zora to manage your Health Savings Account which will maximize your tax-advantaged savings to pay for qualified health care expenses now and in the future. You will have 24-hour access to your HSA information and a host of support tools. The following will help you through this process:

Get Started. Set up your online account access by visiting the Bank of Zora online portal at www.zora.com/benefitslogin. Click Continue under New User within the Sign In to Your Account box and enter the required information to create your Username and Password.

Activate your HSA Visa Debit Card. You should soon receive your HSA Visa Debit Card in the mail. Once received, simply activate your card by calling the number on the label affixed to your card and follow the prompts.

Funding your HSA. There are 4 ways to contribute funds to your HSA: Payroll deduction, Individual contributions, Trustee-to-Trustee transfers and Rollover contributions.

Pay for qualified health care expenses. There are three convenient ways to access and use your HSA funds for qualified health care expenses. HSA Visa Debit Card, provider payments and reimbursement payments.

Digital Solutions is proud to make this happen for those employees who choose to participate in HSA.
