Fundamental Spreadsheet Applications (230) **STATE 2025**

PRODUCTION

Job 1: Formatting	_____ (65 points)
Job 2: Custom Numbering	_____ (50 points)
Job 3: Conditional Formula	_____ (55 points)
Job 4: Chart	_____ (70 points)
<i>TOTAL POINTS</i>	<i>_____ (240 points)</i>

Test Time: 90 minutes

GENERAL GUIDELINES:

Failure to adhere to any of the following rules will result in disqualification:

1. Member must hand in this test booklet and all printouts if any. Failure to do so will result in disqualification.
2. No equipment, supplies, or materials other than those specified for this event are allowed in the testing area. No previous BPA tests and/or sample tests (handwritten, photocopied, or keyed) are allowed in the testing area.
3. Electronic devices will be monitored according to ACT standards.

EXAM GUIDELINES:

1. Ensure this test booklet contains Jobs 1-4.
2. Key all jobs according to the instructions given.
3. Correct any and all formatting, spelling or grammar errors. Use the formatting guide in the *Style & Reference Manual*.
4. Your name or initials should *not* appear on any work you submit. Use your Member ID in any occasion you would normally key your reference initials.
5. In the lower **right** hand corner of ALL work submitted (unless otherwise specified), key your Member ID and job number.
6. If you complete the event before the end of the time allotted, notify the proctor. Time may be considered a factor in determining a winner when there is a tie score.
7. Place your scoring sheet on top of your jobs. Jobs should be placed in numerical order.

Job 1: Format & Filter**Directions:** Open the Employees Data spreadsheet from the folder.

Complete the project

Job 1 (Basic Formatting)	Points Possible	Points Earned
