STATE 2025

Topic

A new energy drink called ChargedUp, has contacted you to design all the brand images and packaging for this new drink. You will need to create the following:

- Logo with tagline (Max Out Your Day)
- Design full wrap around for the 16 oz. aluminum can. Packaging must include barcode, nutritional facts, ingredients, manufactured in the USA, and an energy drink warning label
- Design a fridge pack for four (4) energy drinks. Packaging must include barcode, nutritional facts, ingredients, manufactured in the USA, and an energy drink warning label
- Design a Point of Purchase display/shelf stand

Judging Procedure:

- As a team of judges, formulate two (2) to three (3) questions to ask at the conclusion of the presentation. **Be sure to ask the same questions of each contestant.**
- Contestants will present before a panel of judges and timekeeper.
- Set-up time will be no longer than three (3) minutes.
- The length of the presentation will be no more than six (6) minutes; followed by judges' questions not to exceed five (5) minutes.
- The presentation will be stopped at six (6) minutes.
- Excuse contestants upon completion of judges' questions.
- **There can be no ties in the top ten (10) contestants.** It is the responsibility of the judges to break any ties.
- The administrator will fill out a ranking sheet prior to dismissing the judges.
- If more than one (1) section is necessary, finalists will be determined by selecting an equal number from each section.
- Give administrator all Judges' Scoring Rubrics, Judge Comment Sheets, and contest materials.
- No audience is allowed in the contest room.

Possible Questions:

1. How does your logo and tagline, "Max Out Your Day," reflect the brand's identity and target audience?
2. What elements did you include in the full wrap-around design for the 16 oz. aluminum can make it visually appealing and informative?
3. How did you ensure that the nutritional facts and ingredients are clearly visible and easy to read on the can and fridge pack?
4. Where did you place the barcode on the can and fridge pack, and why did you choose that specific location?
5. How did you design the energy drink warning label to ensure it stands out and complies with regulatory requirements?
