

User Experience Design Team (455)

STATE 2025

Topic

Develop a digital shopping platform tailored to support a new cafe opening in your hometown called The Brew Barn. Your design must include the following:

- Responsive website mockup
- Mobile app mockup
- Social media campaign mockup (teams can choose the social media platform of their choice)

Suggestion user experiences to include:

- Allow users to easily browse drinks and other menu items, accumulate rewards for purchasing menu items and merchandise, and review items to earn free rewards.
- Highlight new specialty drinks and menu items and upcoming events for a season of your choice.
- Integrate social media features to enhance customer engagement and provide a platform for small businesses to connect with their customers.

Judging Procedure

- As a team of judges, formulate two to three questions to ask at the conclusion of the presentation. Be sure to ask the same questions of each team.
- Teams will present before a panel of judges and timekeeper.
- The length of set-up will be no more than three (3) minutes.
- The length of the presentation will be no more than ten (10) minutes; followed by judges' questions not to exceed five (5) minutes.
- Excuse teams upon completion of judges' questions.
- **There can be no ties in the top ten (10) teams.** It is the responsibility of the judges to break any ties.
- Administrator will fill out a ranking sheet prior to dismissing the judges.
- If more than one (1) section is necessary, finalists will be determined by selecting an equal number from each section.
- Give administrator all Judges' Scoring Rubrics, Judge Comment Sheets, and contest materials.
- No audience is allowed in the contest room.

Possible Judges Questions

1. Can you walk us through the key features of your responsive website mockup?
2. What strategies did you use to highlight new specialty drinks and menu items?
3. How did you incorporate upcoming events into your platform for a specific season?
4. What social media features did you integrate to enhance customer engagement?
5. How does your platform help small businesses connect with their customers?
