Health Research Presentation

(615)

STATE 2025

Topic

The healthcare system is currently experiencing an increase in mental health-related issues such as patient anxiety and staff burnout. Create a presentation for the Board of Directors at a nearby hospital proposing they establish an animal-assisted program to benefit patients and staff.

Judging Procedure

- As a team of judges, formulate two to three questions to ask at the conclusion of the presentation. Be sure to ask the same questions of each contestant.
- The length of set-up will be no more than three (3) minutes.
- Set-up will be stopped at three (3) minutes to begin the presentation.
- The presentation will be no less than seven (7) minutes and more than ten (10) minutes.
- The presentation will be stopped at ten (10) minutes; followed by judges' questions not to exceed five (5) minutes.
- Excuse contestants upon completion of judges' questions.
- There can be no ties in the top ten (10) contestants. It is the responsibility of the judges to break any ties.
- Administrator will fill out the ranking sheet prior to dismissing the judges.
- If more than one (1) section is necessary, finalists will be determined by selecting an equal number from each section.
- Give administrator all Judges' Rating Sheets, Judge Evaluation Sheets and contest materials.
- No audience is allowed in the contest room

Possible Judges Questions

- How do patient anxiety and staff burnout impact the overall functioning of a hospital?
- Can you provide evidence or case studies that support the effectiveness of animal-assisted programs in healthcare settings?
- What types of animals are typically used in animal-assisted programs, and why?
- How would you address potential concerns about allergies or phobias related to animals among patients and staff?
