

(235) Advanced Spreadsheet Applications

Certiport Parental Consent Form
REQUIRED

Description & Eligibility

Develop effective solutions to business problems using many of the advanced features within the Microsoft® Excel skill standards. Any postsecondary or secondary division contestant may enter this application event. Contestants may *not* enter Fundamental and Advanced Spreadsheet Applications in the same year.

Contestant Must Supply

- Published and/or unpublished non-electronic written reference materials

Equipment/Supplies Provided

- Computer and software

Competition Notes

- Method of evaluation: application.
- All student-produced jobs completed on-site are uploaded electronically and are not printed at the national level.
- Previous Business Professionals of America tests and/or sample tests (handwritten, photocopied or keyed) may not be taken into the testing area. **Violation of this rule will result in disqualification.**
- Length of event: no more than ten (10) minutes orientation, no more than ninety (90) minutes testing time, and no more than ten (10) minutes wrap-up.
 - No more than fifty (50) minutes for certification test
- At NLC, contestants will take MOS Excel 365 Expert Associate certification as part of the event. Contestants passing this certification will have 50 points added to their event score. A Certiport profile must be created at www.certiport.com before attending NLC. Contestants must include their BPA Contestant ID in their Certiport profile when they register. For more information on the exam, visit www.certiport.com. Reference materials are not allowed for certification testing.
- Entries vary by state.
