

**Description & Eligibility**

Create a 3D computer animation, *not* to exceed two (2:00) minutes, based on the provided topic. Any secondary division contestant may enter this judged team event. A team will consist of 2-4 contestants. Teams must be registered for the national competition before the submission deadline and compete in both parts of the event to be ranked. **Entries that do not follow the provided topic or the Copyright and/or Fair Use Guidelines will be disqualified.**

**Topic**

Your task is to develop a two (2:00) minute animated game promo that introduces a new game called *Escape the Jungle*. In the promo, your team will need to show off the game's setting, highlight its unique challenges, and showcase key gameplay features. The animation should capture the excitement of navigating a high-tech digital jungle filled with dangerous traps, mysterious environments, and menacing creatures. The goal of the promo is to build anticipation for the game's release by giving audiences a thrilling preview of what's in store for players.

**Team Must Supply**

- One (1) copy of project files (i.e. storyboards, concept art/prototypes) must be submitted for each round of presentations (preliminaries and finals). No materials, other than the required submission materials, may be left with judges
- Optional - Digital presentation tools and supporting equipment (device, software, projector, extension cords, etc.)
- Optional - Props

**Competition Notes**

- Method of evaluation: judged.
- Carry-in and set-up of equipment must be done solely by the team within the time allotted.
- No Internet access will be provided on-site at NLC; however, contestants may provide their own access to be used only for their presentation to the judges.
- Only the team captain should complete the submission.
- Length of event: no more than three (3) minutes for setup, no more than ten (10) minutes for the presentation, and no more than five (5) minutes for judges' questions.
- Finals may be part of the competition.
- Each state is allowed three (3) entries.

**Technical Pre-Submit Specifications**

| What to Submit at <a href="https://upload.bpa.org">https://upload.bpa.org</a>              | Saved File Name(s) | Deadline                                  |
|--------------------------------------------------------------------------------------------|--------------------|-------------------------------------------|
| Clickable URL to Project Files, Works Cited, BPA Release Form(s) in one combined PDF file. | CAT-TeamID.pdf     | April 1, 2026, 11:59 p.m.<br>Eastern Time |

**Contest Competencies**

- Demonstrate utilization of various editing software applications
- Demonstrate development of animation within a storyboard
- Demonstrate object color and special effects
- Demonstrate textures and special effects
- Demonstrate knowledge of transitions, audio, and lighting effects
- Demonstrate proper use of placement of titles and visual effects
- Demonstrate an understanding of how to create content tailored to a specific audience.

**Contest Specifications for this Event**

- The team must create a 3D animation utilizing audio, text, video, and graphics.
- Teams will research the topic using available references, time era, and trends to develop a storyboard outlining the team's planned animation.
- Use of transitions and continuity must exist in the animation.

## Common Specifications for all BPA Judged Events

- This is a pre-submitted event. Regional and state conferences have specific deadlines prior to the national deadlines. Please consult the regional or state conference administrator for those deadlines. For the National Leadership Conference, submit the URL to <https://upload.bpa.org> no later than 11:59 p.m. Eastern Time on April 1, 2026.
- Upload completed projects to a video/file sharing link (Vimeo, YouTube, Dropbox, etc.). Projects must be viewable on Windows and Mac platforms. Set the access level of your project to one of BPA's recommended settings. See the Cloud Sharing Guidelines for additional information.
- An auto-generated confirmation will be provided upon project submission for the National Leadership Conference; individual confirmation cannot be provided. **No changes can be made to the project after the date of submission.**
- Team ID is required for all submissions. Materials from non-registered contestants and/or those missing Team ID cannot be accepted.
- The team is responsible for securing a signed BPA Release Form(s) from any person, including themselves, whose image or work is used in the project.
- The team is responsible for citing all sources, including themselves, on the Works Cited page for any work used on the project. It is the policy of Business Professionals of America to comply with copyright law. The *Style & Reference Manual* contains guidelines for Copyright and/or Fair Use. Contestants will be disqualified for violations of the guidelines.
- Materials must follow the organization's BPA Graphic Standards and make proper use of the BPA logo and/or organization's name. Refer to the BPA Graphic Standards in the *Style & Reference Manual*.
- Judges' comments will be returned digitally through the online judging system at the national level. Materials submitted for technical judging will *not* be returned and will *not* be available at NLC.

## (440) Computer Animation Team

### Technical Scoring Rubric

| <b>Required Elements</b><br>(If any question results in a NO, please assign a score of 0)                                                                                                                                                                                               |                                                                                                                                                                                                                   |                                                                                                                                                                                                                        |                                                                                                                                                                                                                                             |                                                         |
