

(200) Fundamental Word Processing

Description & Eligibility

Evaluate entry-level skills in word processing and document production. Only postsecondary or secondary division contestants who have completed one year (or less) of word processing and are *not* enrolled in the second year may enter this application event. Contestants who have previously competed in Fundamental, Intermediate, or Advanced Word Processing cannot enter this event. Contestants may participate in only one of these events each year.

Contestant Must Supply

- Published and/or unpublished non-electronic written reference materials.

Equipment/Supplies Provided

- Computer and software

Competition Notes

- Method of evaluation: application.
- All student-produced jobs completed on-site are uploaded electronically and are not printed at the national level.
- Previous Business Professionals of America tests and/or sample tests (handwritten, photocopied or keyed) may not be taken into the testing area. **Violation of this rule will result in disqualification.**
- Length of event: no more than ten (10) minutes orientation, no more than sixty (60) minutes testing time, and no more than ten (10) minutes wrap-up.
 - No more than ninety (90) minutes for certification tests
- At NLC, students will take the Word Processing (Precision Exams by YouScience) certification with their contest. Contestants passing this certification will have 50 points added to their event score. Reference materials are not allowed for certification testing. For more information, visit <https://certifications.youscience.com/exams/>.
- Entries vary by state.

Contest Competencies

- Apply beginning-level formatting skills to produce business documents
- Demonstrate basic knowledge of word processing software functions
- Format letters, memos, tables, columns, and reports
- Revise, edit, and spell-check documents
- Use paragraph formatting, tab settings, and text enhancements (e.g., bold, italics, underline)
- Use electronic and hard copy references to assist in preparing documents (e.g., help screens, spell-check, thesaurus, reference manual, dictionary)
